

Greetings to our PJP readers,

This is now our 2nd issue for 2018 and the 5th issue since 2016. I hope everyone is pleased with our issues and I hope our pathologists, especially our trainees, are inspired to write articles, submit their researches and case reports. This journal is your venue for your works to be seen and read.

Please take time to read our journal and be inspired to contribute.

A handwritten signature in black ink, which appears to be 'B. Espiritu'.

Bernadette R. Espiritu, MD, FPSP, MMHoA, MIAC
President, Philippine Society of Pathologists, Inc.
