

Greetings!

Welcome to the December 2019 issue of the Philippine Journal of Pathology. My congratulations to the very hardworking editorial team of PJP who remained steadfast in their determination to come up with this issue and to the unwavering support of the Board of Governors of the Philippine Society of Pathologists, Inc.

As the Philippine Journal of Pathology continues to publish the contributions of our members of their scholarly work, they help us improve our diagnostic ingenuity. Researches and case reports help us in our shrewdness in handling our daily work issues in the Pathology Laboratory.

Let us look forward to the many more issues of the PJP and hope that you can join us as one of its contributors. God speed to the Philippine Society of Pathologists, Inc. and the Philippine Journal of Pathology.

Wishing you all a Merry Christmas and a Prosperous 2020.
