

Greetings!

Welcome to the June 2021 issue of the Philippine Journal of Pathology. My congratulations to the very hardworking editorial team of PJP who remained steadfast in their determination to come up with this issue and to the unwavering support of the Board of Governors of the Philippine Society of Pathologists, Inc.

As the Philippine Journal of Pathology continues to publish the contributions of our members of their scholarly work, they help us improve our diagnostic ingenuity. Researches and case reports help us in our shrewdness in handling our daily work issues in the Pathology Laboratory. We learned to adapt and innovate in this time of COVID-19 pandemic to meet the current demand for a safe working environment and coming up with quality laboratory test results released in a timely manner thus help in improving patient outcomes.

Let us look forward to the many more issues of the PJP and hope that you can join us as one of its contributors. God speed to the Philippine Society of Pathologists, Inc. and the Philippine Journal of Pathology.

Wishing you all a safe and healthy days to come.

A handwritten signature in black ink, appearing to be 'R. Padua Jr.', written over a large, faint watermark of the Philippine Society of Pathologists, Inc. seal.

Roberto D. Padua Jr., MD, FPSP, MHA
President, Philippine Society of Pathologists, Inc.
